Dear Mr. Madhava Rao,

With reference to your D.O.letter No.3547 dated the 11th instant, I enclose herewith a statement showing the population of the towns which have been treated as separate charges. The population of other towns if required will have to be taken from the Circle Summaries. If the figures for such towns are wanted, I shall write to Deputy Commissioners and get the information.

Yours sincerely,

M Venkatesaiyengar

Please reply that the figures for the towns might last in due course. A D & N might put up submitting this Statement

SIR,

With reference to your letter No. G.12093/Census 38-30-5 dated the 5th June 1931, enquiring why the population of certain towns shows a large decrease, I have the honour to state that the reduction in the case of Chintamani and Mandya was due to part of the population of these towns having camped outside Municipal limits on account of plague about the time of the Census. The reasons for reduction in the other cases will be investigated and the result reported later.

SIR

With reference to your letter No.G.639 dated the 23rd instant regarding the cause of decrease in the population of Ramasandra and Naikanhatti as also in some other towns, I have the honour to state that the decrease of population in Naikanhatti is stated to have been due to the town having been evacuated owing to plague. As regards the decrease of population of Ramasandra the provisional total figure furnished by the Charge Superintendent seems to have been wrong. The population of this town according to the compilation of figures of final Census is 4,990 which is 242 more than the 1921 figure. A detailed communication will be sent as regards the decrease of population in other towns soon after the replies from charge superintendents to whom requisitions have been sent, are received.

I have the honour to be,

Sir,
